

## Animal Policy

1. Animals are permitted in the terminal building, provided as they are under care and control and on a non-retractable leash of four-ft. (122cm) long or less at all times.
2. Animals are not permitted in food and beverage outlets, unless they are in a kennel or in the conduct of their duties (i.e. Service dogs, Police dogs etc.)
3. Animals are not permitted on escalators with the exception of certified service animals or police dogs.
4. Please keep your animal a respectable distance from certified service animals and police dogs. Ask permission of other dog owners or handlers before approaching
5. Two designated areas have been provided for the purpose of relief. Pet relief areas are located pre-security, outside on either end of the canopy area in front of the terminal.
6. Owners are responsible for cleaning up after their pet/service animal. Emergency waste bags and cleaning supplies are available upon request at the Info Centre located in the center of the terminal. Bags are also available in the pet relief areas.
7. All air carriers and agencies have their own policies that must be followed on aircraft and operational areas. Guests can contact their airlines directly for more information.
