

CONSTRUCTION PROJECTS: WEEKLY UPDATES

For the Week of: July 6-10, 2026

BUILDINGS

Project Name	Project Description	What to expect this week	Stakeholder Impacts
Escalator	As part of life-cycle replacement, we will be replacing our second main escalators that connect our pre-board screening area to all departure gates.	Construction continues	Washrooms at the end of the screening hall are closed. Alternative washrooms are available at the top of the escalators. Guests are encouraged to use the elevator located around the hoarding wall if necessary.
Arrivals Hall	Final phase of our comprehensive terminal rehabilitation. This multi-phase project will last for approximately 18 months and result in periodic adjustments to traffic flow.	Work continues on the Washrooms (B1), and CBSA (A3). Demo continues at A1 (Carousel 3 removal) and A2 areas, shown below. Car Rental counters have been moved to the temporary space in center core (B3). Hoarding will going up around the old Car Rental location and arrivals hall vestibule over the next 2 weeks (B4)	Carousel 3 remains closed (A1 below). Guests will use carousels 1 & 2 for all baggage. Temp lost/delayed baggage is available at the end of the check-in hall. Guests will have to access alternative washrooms in center core or the check-in hall. Public Office for CBSA can be accessed via the International Arrivals 'exit'. Customers will push the button on the wall and a CBSA agent will meet them. Direct car rental customers to the temp set up in center core (B3). Wayfinding continues to be adjusted as needed. Provide guests with hearing protection if they inquire about the noise. Ear plugs are located at baggage belts and the Info Desk.

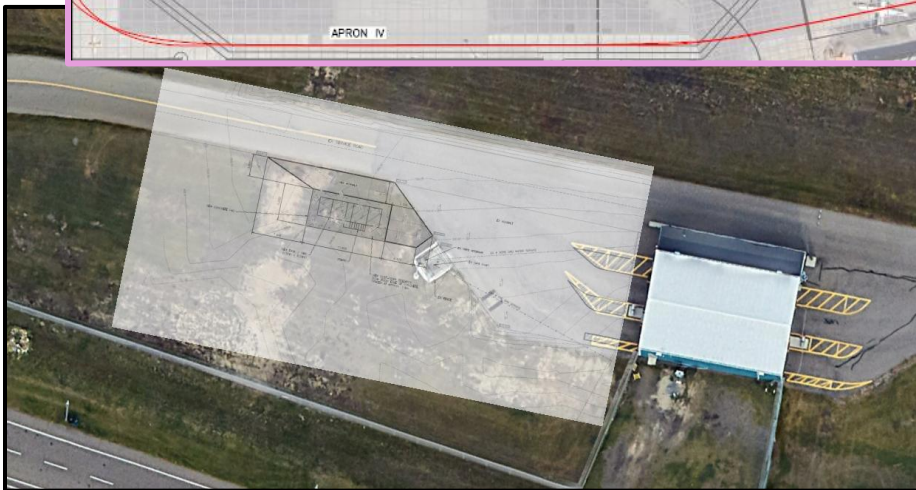

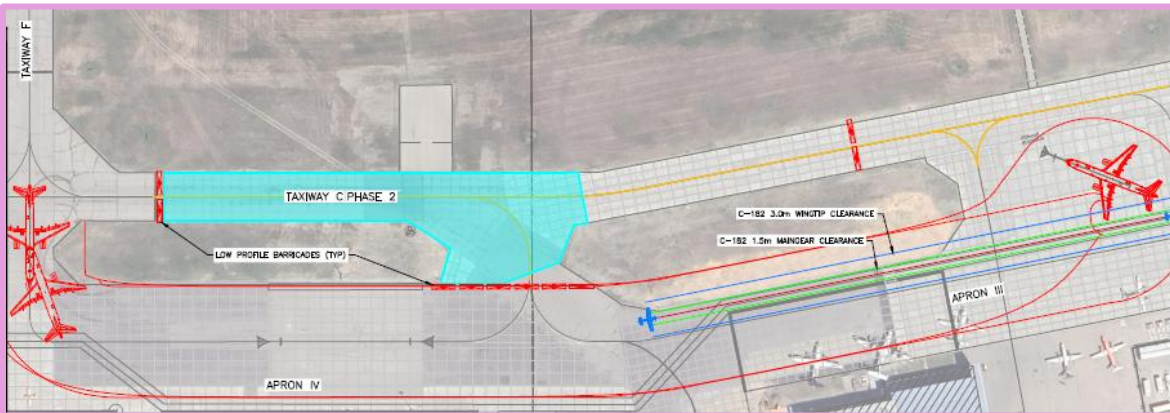

This update is issued weekly. For urgent issues during construction hours, contact the Duty Manager at dm@yxe.ca or SOC at 306-975-9700

CONSTRUCTION PROJECTS: WEEKLY UPDATES

AIRSIDE			
Project Name	Project Description	What to expect this week	Stakeholder Impacts
Taxiway "C" Rehabilitation	This will be a 2-phased project doing pavement repairs on the full length of Taxiway "C"	Phase 2 scheduled for Saturday July 11 – Monday July 13	Taxiway "C" will be closed east of Alpha and West of Apron IV entrance Cargojet does not operate during this Phase, no impact to ops. Ensure Apron IV remains clear as access to Taxiway A & F will be from the west side of Apron IV.
GSE Fuel Station	A new split tank Diesel/Gasoline tank will be installed within the Critical Restricted Area of the airport to improve fueling operations.	Project is slated to begin Tuesday July 7, 2026 and last approximately 2 weeks for concrete installation.	NPS-V at Gate 37 will be open 04:00 – 07:00 daily for the duration of this project. Access to the lavatory waste facility will be limited between 07:00 – 19:00. Escort to and from site required. Separate communication has been sent with full details to parties impacted.
