Escalator Targeted Completion: September 2026	As part of life-cycle replacement, we will be replacing our second main escalators that connect our pre-board screening area to all departure gates.	**The escalator currently under construction is expected to be operational by the end of this week. Once it is back in service, the other escalator will be taken out of service for approximately one week to complete the remaining work.**	Arriving guests are encouraged to use the elevator.
Arrivals Hall Targeted Completion: See Chart Below	Final phase of our comprehensive terminal rehabilitation. This multi-phase project will last for approximately 18 months and result in periodic adjustments to traffic flow.	Work continues on Carousel 3 (A1), Information Booth (A2) Washrooms (B1), and Car Rental and Vestibule 4 (B3)	Carousel 3 remains closed (A1 below). Guests will use carousels 1 & 2 for all baggage. Guests will have to access alternative washrooms in center core or the check-in hall. Direct car rental customers to the temp set up in center core (B3). Wayfinding continues to be adjusted as needed. Provide guests with hearing protection if they inquire about the noise. Ear plugs are located at Domestic Arrivals, Baggage Belts and the Info Desk. Vestibule 4 is closed. Use vestibule 3. **NPS-T: NPS-T is now open in its new temporary location, and the X-ray machine is operational. All RAIC holders requiring access to the holdroom can use this checkpoint. Temporary and Visitor Pass holders can also use this NPS-T checkpoint.** **Holdroom Exit: Passenger flow exiting the holdroom will change on Monday, September 28. Arriving passengers will exit through the glass wall immediately to the left after coming down the stairs, escalator, or elevator.**
ATB Tim Hortons Renovation Targeted Completion: Nov 8, 2026	Refresh and reconfiguration of existing space.	Post security Tim Hortons is closed.	Temporary food services are available at existing location.
