CONSTRUCTION PROJECTS: WEEKLY UPDATES

For the Week of: November 2 – November 8

BUILDINGS

Project Name	Project Description	What to expect this week	Stakeholder Impacts
Arrivals Hall Targeted Completion: See Chart Below	Final phase of our comprehensive terminal rehabilitation. This multi-phase project will last for approximately 18 months and result in periodic adjustments to traffic flow.	Work continues on Carousel 3 (A1), Information Booth (A2) Washrooms (B1), and Car Rental and Vestibule 4 (B3)	Tidying up curbside area around vestibule 4 area.
ATB Tim Hortons Renovation Targeted Completion: Nov 10, 2026	Refresh and reconfiguration of existing space.	Post security Tim Hortons is closed.	Temporary food services are available at existing location.
CATSA + Targeted Completion: Spring 2027	Upgrade existing lines to accommodate CATSA + equipment.	Lane 1 and 2 are unavailable.	Wait times for headstarts may notice an increase for passengers. The first CATSA+ line is expected to be operational early December.

This update is issued weekly. For urgent issues during construction hours, contact the Duty Manager at dm@yxe.ca or SOC at 306-975-9700
